

DEVON HILLS HOMEOWNERS ASSOCIATION

OCTOBER 2019 PRESIDENT'S MEMO

- 1) At our October board meeting financials and September minutes were approved.
- 2) The board made plans for our November 2 yard sale and community gathering. Both events seemed successful.
- 3) A motion was passed to make the yard sale and gathering annual events to take place on the first Saturday of November.
- 4) The pond light timer is being set to turn on the lights earlier now that we are on standard time.
- 5) Our camera-security system has been serviced recently and adjusted for efficiency.
- 6) Led by board member Sandy Williams, the board decided to move forward with planting 3 Willow trees to replace willows that died near the pond, and to plant hollies in the common area at Devon Valley Drive and Glenway, in a gap left by a diseased tree we had removed last year.

The board will now address the loss of trees at the South Highlands entrance, and upkeep of entrance-ways.

We would welcome any volunteers to help Sandy Williamson with landscaping ideas and assistance with entrance-ways maintenance.

As always, we welcome your suggestions, questions and comments. Contact us by email: boardofDirectors@devonHillsHoa.com

Thanks ! Rob Crosby Hoar - president
