

Devon Hills Homeowners Association

President's Memo

May 22, 2021

Dear Homeowners -

Your board of directors decided not to meet at our regular six-week interval this month due to travel and scheduling conflicts, and, bearing in mind that we have no urgent business to address until quarterly financials in July. (We also deal with many issues using emails to discuss and to vote on community business.)

Recently we have dealt with landscaping and tree removals.

At our next board meeting we will cover financial statements, minutes, scheduling our long-overdue annual community meeting, and other matters.

If there are any issues or concerns you would like to bring to our attention, please let us know by emailing us at BoardOfDirectors@DevonHillsHOA.com.

We hope you are having a great Spring and early Summer !

Rob Crosby Hoar
President
